tomatoes into a bowl and add basil leaves, previously washed and dried. Season with a pinch of oregano, salt, pepper

enhance scents and flavours. Meanwhile, cut the bread into slices. After the resting time, heat a grill and place the
slices of bread on it. Grill them on both sides until toasted. Now top the bread slices with your tomato salad,
drizzling a little more oil. Let rest for a couple of minutes, then serve your tomato bruschettas!&#39;]</textarea><↵
